A scuba trip to Grenada offers an unforgettable experience for divers of all levels, set against the backdrop of the Caribbean's vibrant marine life and historical shipwrecks. Known as the "Wreck Diving Capital of the Caribbean," Grenada is home to the famous Bianca C, a luxurious cruise liner often called the "Titanic of the Caribbean." Beyond the shipwrecks, divers can explore the island's colorful coral reefs teeming with tropical fish, sea turtles, and other marine creatures. The underwater sculpture park, the first of its kind in the world, offers a unique diving experience as you swim among hauntingly beautiful sculptures that serve as artificial reefs.

\$1000.00 Cdn non refundable deposit will hold your spot.
